

# Marine Science and Technology for Sustainable Development

## Conference themes:

- Ocean dynamics and climate
- Marine geology and geological resources

## Dates and venue:

July 16-19, 2019,  
Far Eastern Federal University,  
Puschkin Island, Vladivostok

- Ocean and sustainability of human life
- Polar ocean research and exploitation
- Ocean engineering, marine constructions and renewable energy

## Co-Chairmen:

President of Russian Academy of Sciences  
Dr. Nikita Anisimov,  
of Far Eastern Federal University

- Undersea vehicles, robotics, acoustics
- Ocean hazards

## Organizers:

PACON International  
Far Eastern Branch  
Far Eastern Federal University  
V.I. Il'ichev Pacific Oceanological Institute

- Fisheries and aquaculture
- Ocean observation technologies
- Sustainable economy, ocean policy making and education

## PACON Board of Directors:

K. Hotta (JP), Y. Ikegami (JP), T. Ikoma (JP), H. Kohno (JP), L. Maggaard (US), K. Masuda (JP), L. Mitnik (RU), H. Saito (JP), J. Wiltshire (US), Y. Ye (CN), K.-D. Yum (KR).
